

## BOUNCY CASTLES

Pick from our huge celebrations themed bouncy castle or our Wild West themed bouncy castle. Either way your event will be fun and one to remember!

A childhood favourite, timeless classic and the go-to activity for everyone at the party. Our bouncy castles are high quality and durable, cleaned thoroughly between each use and meet strict health and safety regulations.

Perfectly suited for birthday parties, community and school fetes, charity and fundraising events or even as a crowd-puller at exhibitions and corporate promotions. Bouncy castles are fun for everyone, and work great paired up with our inflatable disco dome, additional garden games or even a few side stalls for heaps of entertainment to last the whole day.
