

BALLOON BOOM

Let the battle begin! Race your opponent to be the first to pop your balloon, but be prepared for the stamina and strength it takes to do so!

Brilliant for all ages, the balloon boom is a must have at events. Bringing out your inner competitive side and the hunger to be the first one to win, each player must pump the handle as hard and fast as they can to fill their balloon with air. The bigger it gets, the closer it is to the pins and BOOM, you're the winner!

It's super simple, but allows it to test your strength, speed and determination to battle your opponent. Perfectly suited to school fetes, festivals, funfair events, birthdays and even corporate team building days, go head to head in a new challenge away from the screens!

Without the need for electricity or any tangling wires, it works perfectly indoor or outside and our word of advice – skip the gym that day!

SUITABLE FOR: All ages

GREAT FOR: Birthday Parties, School Events, Team Building Events, Sports Days, Summer Fetes, Community Events

SET UP: Inside or Outside

CUSTOMER REVIEWS

"The young man who delivered the games was delightful. I would totally recommend you to anybody doing an event. The website was fine but it was helpful talking to somebody. We had a fantastic party and that was helped by you."
