

TABLE FOOTBALL

An American classic, a competitive sport, an office rec room go-to or student lounge hotspot. It's table football, an all-time favourite for parties and events.

Dream team, fantasy football leagues and just a casual kick about without having to get wet in the rain. Our Table Football is designed to work perfectly in any space – needing no cables and only people to play, it makes for a great icebreaker at team building events, corporate events, birthday parties and even another way to draw in a crowd at your exhibition stand!

Simple to play and only requiring a minimum of 2 players, just drop the ball onto the pitch, tackle, defend, shoot and score! Designed to be compact yet stylish, take to the traditional green pitch with your red & blue teams (pick your own team names) in a 3-2-5-3 formation. With raised corners on the table to prevent the awkward finger-poking-dead-zones, you receive maximum enjoyment throughout each game.

CUSTOMER REVIEWS

"It was a pleasure doing business with you. It was one less worry about setting up a stand in a fairly limited time slot. Both the team at HQ and the delivery team were exceptionally helpful and I would not hesitate to recommend your services and products. Many thanks."
