

# BASKETBALL CHALLENGE

A fun and challenging way to challenge all ages at any outdoor event. Have you got what it takes to sink some hoops?

Ideal for all fun days, private parties or fundraising events; the inflatable basketball game is a real crowd pleaser. Player's skills are tested to sink baskets and score hoops like the traditional game – only this is a lot more fun and a bit more challenging.

The unit is colourful and suitable for kids and adults alike with up to three players at a time. For private parties and events we recommend heats, semi-finals and finals to find the winning player or for fun days and charity events single play for a specific time is fun too – with perhaps a prize for scoring over a certain amount of hoops.
