BOUNCY BOXING RING

Slip on the oversized boxing gloves and climb into the inflatable ring and square up to your opponent.

The Bouncy Boxing Ring is your chance to square up to your opponent and box. Sounds aggressive? Well, once you get over the fit of giggles just trying to stand upright on the inflatable wearing giant gloves you'll find it just as hard to put in a good left hook so really it's just child's play.

The boxing ring is ideal for outdoor events such as family fun days, birthday parties and team building. The Boxing Ring needs access to a power socket and will need to be staked down on grass if outside. An adult needs to supervise play or, if you prefer, we can provide a referee.
