

DINOSAUR WALKABOUT

Nothing screams big entertainment value more than Dexter the Dinosaur! A real crowd puller and a media buzz generator!

Here's a look at Dexter the dinosaur. He's a fantastic 4-metre long, walking, roaring T-Rex! He's available to hire and is a great attraction at any corporate event, product launch, party or outdoor show or festival. He'll come along with his 3 super cute baby dinosaur friends and entertain and educate your guests.

The Dinosaur Wranglers have them well trained, making sure they are as frightening or as friendly as you'd like but you'll be hard pushed not to fall in love! They're guaranteed to amaze your guests, whether at a party (kids or grown-ups!), a new store opening or exhibition or a corporate family fun day. Whether you want us to simply walkabout with Dexter or put on fun dinosaur games and interactive activities, they're certain to fascinate, interact and entertain. In fact, they're great performers, and demand attention!
