

FACE PAINTING

From princess to pirate or wildlife animals! We have a national network of highly skilled face painters to transform you into your dream character for your next event!

With a nationwide network of highly skilled and trained face painters, we can provide you and your guests the chance to transform into the character of your dreams at your next event! With designs ranging from Disney princesses and cartoons to MARVEL and DC Superheroes and villains or even student night parties, carnivals and festivals – all you need to do is simply show up, tell us your idea or pick from ours and let us take care of the rest!

With around 10-12 faces painter per hour (design dependant), we use top quality products and paints suitable for all aged 3 and above.

We also provide glitter tattoos and temporary henna tattoos. For added glitz and glamour or something more authentic and traditional, simply contact us for more details and prices.
