

IT'S A KNOCKOUT

The perfect fun day, if you love a bit of competition that is! Play for those perfect Snapchat moments whilst you run and bump through a series of games!

A perfect fun day and a lot of face filter moments while you run, jump and bump your way through the It's A Knockout Challenge! Built up of 6-8 games of your choice ranging from inflatables, dress up to foamy tumble rolls and more, It's A Knockout offers everything you need for your players to release their inner child, get back to basics and indulge in interactive, outdoor play! Challenging in strength, agility, speed and teamwork, it's one of the best ways to reward your players or simply give them a desk job break for an afternoon!

With our experienced event staff on hand to guide teams with full support of each game throughout the event, you don't have to worry about running the course yourself! From initial discussion to the pre-event meeting and planning, our staff coordinate your day with you and assist at every stage so your event runs as smoothly as possible – including handling the necessary paperwork too.

We recommend that if choosing any wet games, that these are planned for the 2nd half of the session to avoid anyone getting cold feet.

Please see overleaf for game choices.

CUSTOMER REVIEWS:

"I just wanted to say a massive thank you to your staff that helped make such a great fun day! Tony was brilliant as was the entire team. They were all so friendly and enthusiastic and I couldn't fault them for their hard work over the day. I will definitely recommend your services and hopefully next year we will be using you again!"
