

MEGA SLIDE

Originally designed for kids but a huge hit with adults too, the Mega Slide inflatable is an all-time favourite as you race to the top in the battle to get back down first!

The best thing at a funfair or the annual school fete, but it's not just for kids! The Mega Slide inflatable turns innocent play into a competition for the grown-ups – who can reach the bottom the quickest? Scramble your way to the top testing your strength and stamina along the way and race to the bottom to make it the ultimate showdown.

However for the kids – decorated with balloons making it perfect for any kind of celebration, school fete or family fun day, simply climb and slide to your hearts' content! The inflatable slide requires adult supervision at all times, either by you or we can supply an attendant to help.
