

PHOTO BOOTH

Strike a pose and snap it 4 times! Pout, smile, giggle and photo bomb your way through the infamous photo booth! Choose your props and shoot!

From weddings to balls to private parties, our party package photo booth is the best way to capture the memories of your event.

Our photo booth holds up to 5 adults at one time with a box full of props, wigs and masks to sift through and grab as many as you can just in time for your shoot of 4 poses! Choose between black and white or colour photographs and simply smile for the camera! With 2 copies of the photos printed in just 15 seconds, guests can split the memories between them or leave a copy behind in a guest book as evidence of an amazing night.

We have five skin exteriors or you can request to have the photo booth skin branded making it a perfect way to suit any corporate event including exhibitions.

Simply enquire about branding options upon booking and we work alongside you to sort out the rest. Our ready made designs include:

- Camper Van Style
- White Chesterfield
- Black Chesterfield
- Santa's Shack
- Festive Wrap Christmas
