Quaint, cute and a quirky take on a traditional prop that's ideal for any event where gift cards, vouchers or cards are required to be collected! Available in classic red or white.

Traditional yet stylish and it works for any event! Available in both traditional red or white, our post boxes are suited to any event ranging from Christmas and birthday parties to anniversaries, to weddings and engagements. The perfect height to stay table top so you're not having to rearrange too much of the décor to accommodate, it works perfectly alongside guest books and wedding albums and for weddings – perhaps next to a sweet cart!

Becoming a popular way to collect and store cards so you don't have to worry about carrying them around all day and night, we can also brand the post box to have your own custom message printed on the front!
