

SPORTS DAY

No longer just for kids – sports days are a great way to get away from the desk, get competitive and get back into classic games teaming up against each other!

It's no longer just for kids! More companies are organising sports days for their staff to move away from the desk and get active for an afternoon for their very own 'grown-up' sports day! Who said sack racing when you're 25+ isn't fun?

Our sports day brings back classic memories and games such as the egg and spoon race (including a jumbo version!), sack racing and Tug-O-War, but that's not all! You can choose up to 8 games from the selection listed below to fill up an energetic 2 hours of running, hopping and skipping! In addition to the games we have on offer, we organise your event from start to finish and liaise with you the whole way through to ensure smooth running of the day – all you have to worry about is the venue.

To make it a whole day event, our sports day is popularly combined with our other activity series – It's A Knockout and our Mobile Escape Rooms, some side stalls and a few hot dogs, or with a mobile bar for those well-deserved Friday after-work-social drinks.

GAMES INCLUDED - Choose up to 8:

- Egg and Spoon Race (Jumbo option available)
- Sumo Mash Up (Sumo suits and props)
- Hop, Skip and Jump Race
- 3-Legged Race
- Caterpillar Race
- Space Hoppers Race

CUSTOMER REVIEWS

"Being my first sports day with QS I wanted to make sure it all went well and I can safely say that you and your amazing team from the sales people (Liam), the admin staff and all of the staff that were on site have made our sports day one to remember. Your staff are very friendly, well mannered and made the days event lots and lots of fun."
