

HURDLES

Bounce and brave through 2 layers of our giant hurdles! Squeeze your way through as you go up against the clock to be the winner. No cheating and rolling under!

Squish, squeeze, pull yourself and your team mates through our giant inflatable hurdles! (No, rolling underneath them doesn't count!) The perfect accompaniment to our barrel crawl, assault course and it's a knockout courses, our giant hurdles prove to be more challenging than we make it seem!

Suitable for all ages, our giant hurdles work brilliantly built up with our other obstacle related items for teambuilding days, corporate training days, family fun days or even for a charity fundraiser! And to make it more interesting, you could always bump up the challenge more by adding in foam and water! Now go up against the clock – just be grateful it has an inflatable bottom for the landing!
