

SWEETIE CONES

Coming with customised labels, our sweet cones are filled with sugary treats that work beautifully as wedding or party favours or even exhibition stand giveaways!

Giveaways, party or wedding favours - our sweet cones are made up to be whatever you want them to be! Coming with branded labels as a standard to make them completely bespoke to you, you can build your own personalised sweet cones starting from a minimum of 100 portions. Have them as additional side stall prizes or stand giveaways during an exhibition - there's countless possibilities for their use!

Designed and filled with a large array of sweets of your choosing - pick your favourite sweets, let us create a random mix of our most popular sweets or base it around your brand or theme—are your company colours green and white?... No problem - green and white sweets it shall be! All wrapped up in a sweet treat cone!

We have a large variety of delicious sweets available with vegetarian and halal options available too.

NB: If ordering just sweet cones, a courier delivery fee will be charged to get them to your venue or you can collect for free.
