

FROZEN YOGHURT

Indulge in a not-so-guilty deliciously creamy natural flavoured yoghurt with the added bonus of being fat-free! Just make sure to leave room for the toppings.

Delicious, creamy, natural flavoured frozen yoghurt, and it's fat-free! Our frozen yoghurt (or fro-yo) is a hit for round-the-year events!

As a perfect alternative to ice-cream at your event and still made with the idea of loading up with toppings in mind, Our frozen yoghurt bar comes ready to serve with tubs, spoons, sauces and toppings.

Eligible as a self-serve or to be served up by an attendant so you can focus on your guests, our frozen yoghurt makes for a popular dessert treat at any event. With the option for having a branded panel, you can be sure to make it suitable for company hire or exhibition promo use with your logo on the front. Now there's even more reason to bring it into the staff canteen or office floor.

CUSTOMER REVIEWS

"I was very satisfied with the equipment hired and in particular the service, both from the office and the delivery. My request was a very late arrangement and it was swiftly and professionally dealt in all aspects. So thank you very much"
