

# POPCORN

The star of the show at any event, popcorn is the greatest addition to your show with it being freshly made, available in a variety of flavours and available pre-made.

The star of the show at any event – popcorn makes for a great event addition with it's freshly made smell, the sudden bursts of pops when a fresh batch is cooking and the satisfaction of your guests when you serve up freshly made popcorn!

Not just for the cinema, popcorn makes for a great addition to a whole host of events including birthdays, fun days, weddings, exhibitions and even corporate events as both cart and boxes are brandable to suit your needs.

For venues where cooking isn't allowed, we can provide a popcorn warmer instead with sleeves of 100 portions of ready made popcorn in a variety of ready-made flavours . Choose from four delicious popcorn flavours - sweet, salty, sweet and salt mix or caramel.. Serve up yourself or with one of our trusted attendants to do all the work for you, you can sit back, relax and simply dig in!
