

SLUSH MACHINE

With a variety of flavours and even customised colour options, slush unites kids and adults alike with the colour of your tongues and the cup in hand!

Sent to you ready to roll, and with multiple flavours to choose from, our slush machine is super simple to use! We deliver it ready set-up and running – all you need to do is open the lid and top up and your slush on-demand!

Each machine has 2 barrels so you can pick & mix your flavours for your event. We supply an initial 100 portions as standard and you can add more if required in batches of 25. And to make it suitable for corporate events – we can also brand the stand and cups with any logo or design of your choice with more information available on our branding page. Alternatively – make it completely adult friendly by indulging in our slush cocktails – now that's one party to try remember!
