

VIRTUAL REALITY HEADSETS

Fully immersive and highly entertaining, enjoy a 720° thrilling experience of gaming in a whole new dimension!

No PC... No wires... No limits!

Experience the amazing all-in-one gaming system built for virtual reality, with wireless headsets meaning you can now play almost anywhere!

Our VR headsets translates your movements into VR no matter which way you're facing and provides room-scale tracking without external sensors. Look around, duck for cover and turn the tide of the battle from anywhere in your playing space.

Whether you're dodging spells or boxing your enemy, you've never been this close to the action, feel every heart-pounding moment as you are placed in the centre of the experience. Keeping all of your guests entertained, VR will make any event stand out!

With a wide variety of games to choose from, you can guarantee that our VR headsets will be a hit! Choose from our list of games overleaf, or if you have a specific game in mind—contact us and we can discuss your options!

Available in single player or teams, you can create an incredible experience for your guests, employees or potential clients. Once you've put that headset on, immersed yourself into a new dimension complete with sound, you won't want to return to reality and you'll keep coming back for more!

CUSTOMER REVIEWS

"Would not hesitate to use your again. Delivery attendant was very, very good, great attitude, very polite and friendly on arrival and then collection."

VIRTUAL REALITY GAMES LIST 1/2

Full immersive entertainment in a whole new dimension with our VR Headsets.

Beat Saber

Beat Saber is a rhythm game where your goal is to slash the beats as they are coming at you. The music is perfectly synced to each beat. How long can you keep your rhythm going?

Creed—Rise to Glory

Challenge both your body and mind as you experience the ascent of Adonis Creed from undiscovered underdog to world-class fighter, in an immersive universe inspired by the Creed films.

Dance Central

Dance Central immerses you in to the world's best dance club where you are the life of the party and nobody steps on your toes! Can you perfectly match your dance partner to get top score?

Sports Scramble

Take your favourite sports and mix them together! Play Tennis with a Golf Club, Bowl a strike with a Basketball, Smash a Home Run with a Hockey stick—the options are endless!

Keep Talking & Nobody Explodes

One player is trapped in a virtual room with a ticking time bomb they must defuse. The other players are the 'experts' who must give the information to diffuse the bomb—teamwork is a must!

I Expect You To Die

You have to attempt to survive deadly situations by completing each operation, using problem-solving skills, your wit... oh, and the power of telekinesis—solve the clues or die trying!

Superhot

No regenerating health bars. No conveniently placed ammo drops. It's just you, outnumbered and outgunned, grabbing the weapons of fallen enemies to shoot, slice and dodge the hurricane of bullets.

Epic Roller Coasters

Jump into your virtual reality roller coaster and you'll get the same feeling as the real thing! Each ride comes with your choice of cart, along with a weapon of your choice!

Robo Recall

A recent barrage of defective, homicidal robots has created openings in the RoboReady's department you must rely on your wits, reflexes and a vast arsenal of weapons to eliminate the robot uprising!

VIRTUAL REALITY GAMES LIST 2/2

Full immersive entertainment in a whole new dimension with our VR Headsets.

Space Pirate Trainer

Space Pirate Trainer puts you in the centre of one of those classic arcade cabinets, fighting off relentless waves of droids with all the weapons you could ever want or need!

Walk the Plank

You're on a plank, 80 stories high. Knees shaky, palms sweaty. You have a choice, do you walk or do you freeze? You'd be surprised how many people cannot complete the dreaded plank walk!

Angry Birds

Join Red, Chuck, Bomb and the Blues to save the stolen eggs in Angry Birds VR. Explore the remote island where greedy green pigs that their vacation, how many points can you score?!

Tilt Brush

Paint in 3D space with virtual reality. Unleash your creativity with the three-dimensional brush strokes, stars, lights, and even fire! Your room is your canvas. Your palette is your imagination.

Job Simulator

In a world where robots have replaced all human jobs, step into the 'Job Simulator' to learn what it was like to 'do the job'. You can even throw a stapler at your boss without the usual reality!!

And more...

More games may be available on request. Call our team today if you have a specific game request!
