

VIRTUAL REALITY PODS

Fully immersive and highly entertaining, enjoy a 720° thrilling experience of gaming in a whole new dimension with our VR pods.

PRICE FROM
£795 + VAT

9D and a 720° visually thrilling experience – it's virtual reality like you've never known it before. Simply pop on the headset and take your seat in one of the 2 VR pods and take your senses on a wild whirlwind as you scope your way through one of 15 game simulations on the headset. Take your pick from outer space exploration to rollercoaster rides, haunted houses or even taking a walk amongst the dinosaurs – there's a simulation for everyone.

With the pods being designed for maximum comfort with an all-black leather interior, be prepared to take a multi-dimensional experience to new heights as the chairs move so slightly to simulate the game movements whilst your eyes are keeping up! Working with a moving platform, the VR experience includes: back, ear and leg air effects, full stereo audio, motion platform with synchronised vibrations and 2x 720° VR headsets.

SUITABLE FOR: All ages - children aged 7+.
Maximum of 2 players at once.

GREAT FOR: Birthday Parties, Stag Events, Exhibitions, Corporate Events, Student Events, Gaming Events and Tournaments

SET UP: Inside only - no stairs.

REQUIRES: Standard electrical power and a flat, clean, even surface

SIZE: 2.1m depth X 1.1m width X 2m height

VIRTUAL REALITY GAMES LIST

Full immersive entertainment in a whole new dimension with our VR pods.

Bubble Adventure

Cartoon animated Super-Mario like game where you must collect as many points by popping bubbles as you jump, fly and bounce your way past obstacles to the finish line. Don't be fooled by the name, it will even have adults addicted.

Defend War

You have a mission to reach the mother ship, but the journey is not easy. Alien enemies and unsuspecting living plants obstruct your path. You must kill and dodge the obstacles if you are to achieve your mission.

Journey of Terror

Soar above the ocean carefully gliding your spacecraft through the tightest turns to get through difficultly positioned hoops to reach the end.

Pirate Shot

Aim at the targets and shoot using cannons and barrels whilst on a high speed rollercoaster. This game is all about your concentration and precision so keep it steady!

Deep Space Universe

Take an unbelievable guided tour of the universe. Experience breath-taking views as your pod carries you around in mid-space

Elevator City

You witness strange events whilst on your elevator ride. You are not alone. Can you make it to your destination alive?

Night Rollercoaster

Experience a night ride on a secluded mountain range. It's not for the fainthearted so hold on tight and let's go!

Space Shooting

Jump into virtual reality space and start blowing up rocks and UFOs! Fly around, shoot stuff and have fun! It's the ultimate childhood dream.

Desperate Chase

Feel the adrenaline rising as you experience the bumps and jerks as your bob sleigh gushes through tight tunnels and corners at high speeds.

VIRTUAL REALITY GAMES LIST

Full immersive entertainment in a whole new dimension with our VR pods.

Space Drift

Shoot zooming spaceships as they whiz past and try and attack you. You must shoot down more and more invaders as the levels get harder, so let's put your hand-eye coordination to the test.

Air Strikes

An epic world of carnage, where you battle alien foes at lightning fast speeds and engage in epic outer space battles. Are you ready?

Extreme Roller Coaster

The undisputed champion of VR based roller coaster rides - and that we can say confidently. We advise this one for professional thrill seekers only!

Evil Abyss

Embark on a ghostly adventure unlike anything you have ever played before. Come face-to-face with terror itself as you look for your missing sister.

Unlock the World

A global theme-park themed simulation including 10 famous landmarks from around the world. See the Eiffel Tower and Big Ben from the clouds above.

Spiral Roller Coaster

There's more loops and this is more extreme. It's one of the most exhilarating virtual reality roller coaster experiences available!
