

INFLATABLE BALL POOL

Our inflatable ball pool is always a hit at any type of children's party. Available on it's own or with soft play pieces for hours of fun.

Our inflatable ball pool hire is fun for any children's party. It's the perfect entertainment for children at a birthday party, Christening, wedding or summer fair. Children will love playing in the ball pool, rolling around or balancing balls on the air blowers. The ball pool is simple and wholesome fun! This ball pond is particularly popular for entertaining toddlers and young children at birthday parties, and is the perfect sized ball pond which will fit well inside homes or venues. It can also be hired for outdoor use.

As with all of our event equipment, the ball pool and balls are thoroughly cleaned between each hire. Our attendant will deliver all of the equipment needed, set up for your event and pack away. So all you need to do is sit back and relax, knowing that your children are having fun whilst being safe.

Our inflatable ball pool goes really well with our soft play activity centre, diddi cars and mobile catering options. The hot dog machine, ice cream stand, candy floss and slush drinks always go down well at a party. To complete your event why not also book one of our face painters.
