

DRY ICE DRINKS

Make a statement at your event with some smoking drinks! Our dry ice drinks machine is easy to use, safe and a real show stopper.

Our dry ice drinks machine is innovative, exciting and a real crowd puller! The guests at your event will be amazed at these smoking drinks that look great but also taste good too. The dry ice machine is quick, easy and safe to use. Your operator will create two dry ice portions at the push of a button, then once you pour a drink over you will have a cool drink with safe to drink smoke.

The amazing dry ice drinks machine is perfect for birthday parties, exhibitions, student events and Halloween events. It is suitable for all ages and all non-carbonated drinks. Use with different coloured 'squash' options for a children's birthday party, or for the grown ups create show stopping dry ice cocktails.
