

PIZZA OVEN HIRE

Fresh, hand made pizzas are stone baked in the oven at a rate of one pizza per minute meaning no-one will be going hungry!

Our mobile pizza oven is the perfect catering option for all types of events. Serving fresh stone baked pizzas with a wide selection of pizza toppings, it's fast food that everyone will love. We can provide you with our standard pizza menu including margherita, ham and pineapple, and chicken and mushroom or create your own bespoke menu. We can also provide vegan or gluten free options to ensure all of your event guests are catered for.

Hire our pizza oven for a fun catering option at your wedding, work party, birthday party or corporate event. We provide staff to prepare the food and serve, so that you can sit back and relax. Our fresh, hand made pizzas are made at a rate of one pizza per minute! As we can cook twelve pizzas at a time and the gas fired pizza oven only takes a few minutes to cook them all.

CUSTOMER REVIEWS

"The pizza oven was a great choice for our wedding reception, where we wanted a no fuss catering option rather than a buffet, but still wanted something impressive. The pizzas were delicious and so fresh! Would definitely recommend to others"
