SLUSH COCKTAILS

Just for grown-ups – the perfectly balanced double shot frozen cocktail is here with a range of flavours to choose from and service straight to your hand!

Coming complete with all the ingredients and spirit to serve the perfect frozen cocktail, we use specially formulated slush syrups to make it taste like the real thing and then add the spirit to create a real, perfectly measure cocktail! We keep the alcohol and slush consistency covered and bring the cocktail to you ready prepared so all you have to do is drink up!

We supply an initial 100 portions in 300ml cups which include a 50ml (double) measure of spirit and each cocktail comes finished off in style with garnishes too.
