

BURGER STALL

A favourite mobile catering option all year round, our burger stall hire is a compact version of a burger van.

Our burger stall hire is a great alternative to hiring a burger van at your event. The burger stand provides fantastic mobile catering and is compact enough for most venues. We provide everything you need, including an attendant to cook and serve your burgers, so all you need to do is enjoy your event.

Burgers are a delicious option for event catering, party food or at an event promotion. The burger stall comes with a variety of sauces, relish, cheese and salad. We also can provide vegan burgers, either on their own or with meat burgers. Combine with some of our other vegan catering options for a fully vegan or vegetarian event.
