

COFFEE MACHINE

Our coffee machine hire is the ultimate way to serve fresh coffee at your next event. Your guests will love our range of coffees, hot chocolates and teas.

Our coffee machine for hire is made of a quality unit with a premium bean to cup coffee system. It includes a double hopper and a variable frothing system ensures your guests will have a superb coffee experience. Not only does the coffee machine look stylish, it's also easy to use. Simply select your chosen drink from the touch screen menu and it is automatically produced. The coffee machine also features a liquid waste tray to keep everything clean, plus an automatic cleaning cycle and de-scaling routine.

Serve up fresh coffee, mochas, tea and hot chocolate to add a touch of class to your event. To really add some wow factor why not team it up with our drinks printer, which can 'print' your logo or branding on to any edible surface including hot drinks and biscuits.

CUSTOMER REVIEWS

"We hired a coffee machine for our training day, and it was a nice addition for an overall great day. Having an attendant included meant that we did not have to worry about the set up too."
