

UNDER PRESSURE

The name of the game, it's exactly that!
 Providing fun and competitive stress to all ages, Under Pressure is a crowd pleaser for all of those who play!

It's the name of the game to quite literally keep you and the balls, under pressure. Line up four players either side or battle it out head to head to get all of your balls to the end in the basket first. Sounds easy enough, but can you keep the cones moving and steady enough with pressure to keep the balls mid-air? Too much or too little and the ball will fall so you start over, have you got the wits to get them to the end of the line?

The perfect combination of fun, skill and competitiveness where players can race against each other or even challenge themselves individually! An amazing all-rounder to suit all ages and events including charity events and team building days.
