WAFFLES ON A STICK

Made with a premium Belgian waffle mix, our waffles are served up with a mix of sauces, squirty cream and sprinkles!

Waffles on sticks also known as fudge puppies, are served with the idea of convenience in mind. Fun and tasty and great as part of a buffet or a lighter dessert option at parties and weddings, or make for an excellent option to entice visitors to your exhibition stand to get stuck in!

Using only a premium Belgian waffle mix and being served up with a tasty selection of sweet toppings ranging from whipped cream to sauces and sprinkles – we also supply a chocolate warmer and delicious melted Belgian chocolate to coat the fudge puppies to make them truly irresistible.

Coming with 2 waffle makers which provide around 100-125 hot, fresh waffles per hour. Our professional attendant will cook and serve the waffles, then your event guests can select their own toppings.
